Sub: First Term Exams (In-Person)

Dear Parents/Students!

Greetings!

As mentioned in our welcome letter posted on 3rd March 2022, the school expects the first term examinations to be taken as **in-person** Examinations.

After carefully considering the percentage of students attending the school physically, the school management has decided to take the 1st term examination in Person. There will be no option of taking examinations online, therefore, to avoid missing any paper/exam, students must appear physically in school to attempt the examination. In each term, both summative and formative assessments will be considered for results. The revised policy for the final and aggregate results will be calculated as 30% from 1st term, 40% from 2nd term, and 30% from the 3rd term.

The students with any symptoms of sickness will have to submit a leave application with a medical certificate from an authorized medical institution.

In case of any exceptional circumstances, the school will follow the previous practice of evaluation during exceptional circumstances.

The parents will be informed in advance of any changes in instructions or advice from MOE & MOH Bahrain.

Thanks for your commendable cooperation.
