The transport charges will be BD. 20/- per child per month from any designated route.

The parents who are interested to avail the school transport for their ward(s) should immediately fill attached "Transport Activation Form" and submit the same to school 26th May 2022.

Note: The School provides transport facility for the convenience of the students and parents, despite not being obliged to do so. Furthermore, the school will continue providing transport facility but will not undertake any responsibility or liability whatsoever for delays, mechanical disorder, break down, accidents, etc, during journey to and from the school. Even though the school strives to ensure proper seating space for all students, it is possible that the buses on certain routes may be crowded as we cannot provide additional buses for areas with small number of students.
