SUB: TRANSPORT FACILITY FOR THE STUDENTS:

Dear Parent,

The School management has decided to provide the transport facility for the convenience of the students and parents. The transport facility will only be limited to selected areas and designated stop(s). The School will notify parents on 03rd September-22 of the detail of areas chosen and designated stop(s) and the vehicles drivers contact information.

Interested parents in availing of school transport for their ward(s) should immediately fill out the Google Form and submit it to the School.

Please note that the School management also revised the transport charges from BD. 20/- to **BD. 16/-** per month effective from September-22.

Note: The School provides a transport facility for the convenience of the students and parents, despite not being obliged to do so. Furthermore, the School will continue providing transport facility but will not undertake any responsibility or liability whatsoever for delays, mechanical disorder, breakdown, accidents, etc., during the journey to and from School. Even though the School strives to ensure proper seating space for all students, the buses on specific routes may be crowded as we cannot provide additional buses for areas with a small number of students.

Best Regards,
