Parent Communication – Transition to Online Learning

Dear Parents,

Greetings!

We are writing to inform you that we have just received a precautionary message from the Ministry of Education (MOE) instructing schools to transition to online learning for the remainder of the term, effective today (22/06/2025).

Please note that tomorrow's exam is exempted and the results will be adjusted.

We kindly ask that you arrange to collect your son or daughter from school at your earliest convenience. The school will remain open until the end of working hours. It is completely fine if you cannot pick up your child immediately, as students will remain safely supervised at school until they are collected.

For students who use School transportation, we are contacting the transport providers to come early. However, if you want to collect your ward by yourself, please make the arrangements. The school bus locations will be shared with the parents as they leave the school premises.

We are preparing the online learning schedule and resources, when and for whom required. We will be sharing these arrangements with you soon.

The Summer vacation will be as per the previous announcement from 1st July 2025 to 31st August 2025

Thank you for your continued support and understanding.

Best regards,

Justen John
Principal
Pakistan Urdu School
